

## Making Ashford smile

SOME of our children were putting a smile on people's faces and making their day just a little bit better this week. A group of children all looking smart in their

uniforms walked into Ashford town centre with Mr Austin and handed out flowers to people who were in the high street. Not only did we make them smile and make their

day but also made ourselves feel good by doing a nice thing to cheer someone's day.

## Say a little prayer

THE next Parent's Prayer Group takes place in school next Wednesday 1st May at 2.30pm in school. Everybody is welcome to attend. If you cannot attend but would like us to pray for anything, please give your prayer requests to the school office.

## Eggs-actly!

WELL done to Mann house for coming first in the Easter Egg hunt with 79 points.

## The magic of maths

WHAT do you think when you look at your child's maths learning? Do you struggle to help them? Well we may have the answer. There will be a Maths interactive presentation for parents on Monday 13 May from 6pm—7.30pm. Everybody is welcome to attend so please come along—you might be surprised how much you enjoy it!

## Welcome to the ACE Family

THIS week we welcomed a new teacher to our school. Her name is Mrs Flood and she is teaching Kangaroo class. She is covering for Miss Richardson, who is on maternity leave.

We are delighted to announce that Miss Richardson gave birth to a baby girl on 20 April called Florence Ivy. Mother and baby are both doing well.

## After all , it's our waterwall!

RECEPTION children are going to be discovering how water moves when they build their very own waterwall and you

can help! We need spare bits of plastic guttering or tubing to get the water moving. If you have anything like this in your sheds or gardens we would be very grateful for the donation. In addition we need 3 wooden pallets in good condition. These will also help them build their bug farm.

## Weekly Reflection

This is the day that the Lord has made; let us rejoice and be glad in it.

**Psalm 118 : 24**
