

## Lost in (prayer) Space

WHAT is a prayer space? It's an area where children can go, feel safe and explore prayer in different ways. We will be creating Prayer Spaces in our school next week and

you can help. If you can spare any time on Tuesday, Thursday or Friday next week, please help us with this activity that will encourage thoughtfulness and consideration amongst other things. There will be a variety of activities that will help children access prayer in a different way.

## Tissue issues

IT's hay fever season and as usual we are running out of tissues. If you can help us please add a box to your shopping list and donate to school. As always your continued support is appreciated.

**"I loved it and you don't have to be religious. Thank you. It helped me look inside myself."**

## A bug's life

RECEPTION children continued their theme 'Creepy Crawlies' this week when they were treated to a look at some bugs that were kindly bought to school by Mr Maguire. Did you know that a cockroach is a descendent of the

dinosaurs or that a queen ant can lift the weight of a 10 year old! Just a couple of the fascinating facts they learnt while holding and looking at these creatures.

## Reach for the stars

WHILE Reception were looking at bugs, Year 3 and Year 4 entered the Explorer Dome in the hall. Year 3 were looking at the sun and all the planets and discovering how we get light. Year 4 whose theme is 'walk like an Egyptian' found out that the Pharaohs used the stars to help them build the Pyramids and they could also use them to tell when the river Nile might flood.

## The Summer Fayre is coming...

PREPARATIONS are well under way for the PTA Summer Fayre. Please please lend a hand if you can. Just 30 minutes of your time will help a stall run and help us raise as much money as we can for our school. Contact the School Office if you can help.

## Weekly Reflection

The Jesus declared, "I am the bread of life. Whoever comes to me will never go hungry, and whoever believes in me will never be thirsty".
