

Our daily bread

YEAR 2 children have been learning all about the great fire of London as part of their theme 'London Calling'. They discovered that the fire was started in a bakery in Pudding Lane on 2 September 1666. This week they were lucky to be visited by a lady from Warburtons which is a huge bakery and nothing like that little bakers that started the fire. They learned how bread is made and how

important it is to eat healthily. They each made themselves a sandwich with a healthy filling and were each given a lovely fresh loaf to take home!

No receipt required

IN our continued efforts to be a paperless school and to do our bit for the environment, we will no longer be issuing receipts for parents who pay for school expenses with cash.

If you really need a receipt for any reason the office will still be able to produce one on request.

We would ask that all parents, where possible, make their payments via Tucasi, our online payment system.

Busy Bees

RECEPTION have been very busy bees this week. As part of their

'Creepy Crawlies' theme they were visited by a bee keeper who gave them lots of interesting facts about bees. They were all buzzing to recall what they had learned. Who knew that bees lay eggs? The Queen Bee can lay up to 2000 eggs in a single day. Bees collect nectar from flowers with their arms and legs and take it back to the hive to make honey. The females are the

dominant Bee and when they are done with the male they pull his wings off!! The children got to taste some honey and even made some honey biscuits.

Next week

- Kangaroo class will be leading worship on Monday at 2.30pm. Parents are invited to attend.
- Next Friday 21st is Mufti Day. Don't forget your gift for the Spring Fayre Tombola.

Goodbye, so long, farewell

WE are sad to let you know that we will be saying goodbye to 3 of our TLA's this term. Mrs Turner will be leaving on July 5 to move to Shropshire. Mrs Robertson will leave at the end of term to move to Dorset and Mrs Hardy will take a well earned retirement at the end of term. We know you will join us in wishing them all good luck! Their contributions to our childrens learning have been massive!

Weekly Reflection

You heavens above, rain down my righteousness;

let the clouds shower it down.

Isaiah 45:8
