

Year 2

Maths

In maths we are learning about multiplication and division. We will be learning to:

- Group and share different amounts
- Use arrays
- Recall and use the 2,3,5 and 10 times tables
- Solve problems using multiplication and division

This half-term
we are reading:

We will be reading:

- The Minipins by Roald Dahl
- The bear under the stairs by Helen Cooper.

We will be learning to identify and use:

- Suffixes
- Noun Phrases
- Punctuation e.g. commas
- Different sentence types

Spring 1

R.E

We are focussing on the Jewish Faith

Our learning question is—
Why are they having a party?

Science

We are focussing on how to take care of animals.

We will be looking at lifecycles and animal offspring.

Geography

We will be identifying cold places around the world on a map.

We will then focus on Antarctica

Art

We will be using paint and mixed media

Computing

We will be using the Beebots to create our own algorithms with instructions.

Music

We will be learning African drumming with our specialist teacher.

PE

We will be developing our skills in gymnastics and learning how to send and receive a ball in games.
