

# Year 2

## English

The Ocean meets the Sky

- We will focus on learning to spell common exception words, add suffixes to spell longer words, including -ment, -ness and use the prefix un-.

The Dragon Machine

- We will focus on learning to use apostrophes [for example, the girl's book], and continue to work on adding suffixes to spell longer words.

## Maths

Fractions

- We will focus on identifying parts and wholes and then recognising and finding quarters and thirds, counting in fractions up to a whole.

Time

- We will focus on telling the time to o'clock, half past, quarter past and quarter to. We will also be looking at the minutes in an hour and hours in a day.

**This half-term we are reading:**

## Summer 1

## RE

Our big learning question for this half term will be - How do the five pillars of Islam help a Muslim to show commitment to God (Allah)?

We will look at what it means to make a commitment and how Muslims show their commitment to their faith.

## Science

This half term we are focussing on living things and their habitats. We will spend time looking at microhabitats and food chains whilst returning to our sticky knowledge of animal and plant identification.

## Geography

This half term we will be focusing on Seas and Oceans. We will look at where the continents and oceans are in the world and how to protect our important oceans.

## Art

This half term we are sculpting clay to create houses.

## Music

We will focus on pitch, rhythm and pulse to the song 'friendship'.

## Computing

We will be learning to make our own music by using a programme called 'chrome music lab'.

## PE

We will be working on our athletics skills ready for Sports Day!

We will also be focussing on striking and fielding skills.
