

# Year 4

## Maths

In addition to our regular times tables practice we will also be learning about:

- Money
- Shape
- Position and direction

**This half-term we are reading:**

## English

We will be reading *The Jabberwocky* by Lewis Carroll; creating our own performance poetry; writing explanatory descriptions and writing our own nonsense poem.

Our second book is *Weslandia* by Paul Fleischman and we will create our own shelters, write descriptions and finally a non-chronological report about our own civilisation.

## SUMMER 2

## RE

We will continue to consider the question, **'What does it mean to be a Hindu?'**

Then we will move onto a Christianity unit investigating the role of David in guiding Christians towards Jesus.

## Science

We will be investigating the question, 'How are living things grouped?' We will be classifying living things and looking at how environments change.

## Geography

We will be investigating the question, 'Why should we protect the world's rainforests?' We will find out where in the world we find rainforests; the features of rainforests; the impacts of deforestation and why they are so important.

## DT

We will be looking at 'shelters' this half term and learning how to create effective 3D structures.

## Computing

We will be using Scratch to design and create our own games.

## Music

Our new music unit is Reflect, Rewind and Replay recapping on the music learning from this year.

## PE

Our PE sessions will focus on rounders and OAA (Outside Adventurous Activities).
