

Year 4

English

We are reading *The Matchbox Diary* by Paul Fleischman. The children will use the small mementoes kept in a matchbox from the story as inspiration for their writing.

Our guided reading book is a non-fiction book called 'How Does a Lighthouse Work?', by Roman Belyaev.

This half-term we are reading:

Maths

In addition to our times tables practise in preparation for the multiplication check in June we will be covering:

- Length and perimeter
- Fractions
- Decimals

Spring 2

Music

We will continue to use our knowledge of the treble stave to play simple tunes on the recorder.

DT

The children will design and make an alarm system using a circuit

Geography

In geography, we will be investigating the question, 'Why are rivers important?' Children will learn about how rivers are formed and how they are affected by human activity.

Science

We will be learning about what electricity is, and how to create simple circuits.

Computing

The children will use an audio programme to record a podcast

PE

On Tuesday our PE sessions will be football and on Fridays, fitness.

RE

We will be exploring the question: 'What is Holy Communion and how does it build a Christian Community?'
