

Maths Medium Term Planning

(Adapted White Rose Scheme 3.0)

Year 4

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12
Autumn	Place Value Retrieval Practice of place value from year three.				Addition and Subtraction Explicitly link to retrieve previous learning of money and measures from year three.			Length and Perimeter Explicitly link to retrieve previous learning of addition and subtraction.		Statistics Explicitly link to retrieve previous learning of four operations- using scales.	Time Explicitly link to retrieve previous learning of fractions from year three. Explicitly link to retrieve previous learning of four operations with time word problems.	
Spring	Multiplication and Division Explicitly link to retrieve previous learning of money and measures from year three. Chant daily for retrieval practice.		Area Explicitly link to retrieve previous learning of multiplication and division.	Fractions Explicitly link to retrieve previous learning of division with a focus on denominator and divisor. Explicitly link to retrieve previous learning of time- fractions of an hour/day.				Decimals Explicitly link to retrieve previous learning of place value- compare with whole numbers. Explicitly link to retrieve previous learning of fractions.			Consolidation	
Summer	Multiplication and Division Explicitly link to retrieve previous learning of timestables and area. Chant daily for retrieval practice.		Decimals Explicitly link to retrieve previous learning fractions and money.		Money Explicitly link to retrieve previous learning of four operations and fractions.		Shape Explicitly link to retrieve previous learning of statistics- sorting and comparing.		Position and Direction Explicitly link to retrieve previous learning on fractions.		Consolidation
