

Year 2

We will be learning:

- Addition and Subtraction
 - Adding and Subtracting 1-digit numbers and 2-digit numbers
 - Number bonds to 10 and 20
- Statistics
 - Charts
 - Pictograms

**This half-term
we are reading**

We will be reading:

- The Journey Home by Frann Preston-Gannon. The children will create their own persuasive letter which will include extended noun phrases, adjectives, basic punctuation and the 4 different types of sentences
- The Great Fire of London by Emma Adams. The children will create their own information booklet which will include the use of past and present tense and turning facts into extended sentences

Autumn 2

RE

We will be learning about how the symbol of light helps us to understand the meaning of Christmas for Christians.

Science

We will be learning about animal habitats and to know why animals choose to live in particular habitats.

History

We will be learning about the Great Fire of London.

We will find out what happened during the fire and the impact it had on London.

DT

We will be designing and making our own Ferris wheels.

Computing

We will be learning about digital photography.

English

Music

We will be focussing on our upcoming nativity and also other Christmas songs, learning about beat and rhythm.

PE

We will be developing our skills in fitness and practising our ball skills.
