Our School Vision Statement

We are a caring Christian community where everyone adopts an “I can” attitude; everyone feels valued, safe and loved by God. We celebrate our God-given individuality, achievements and talents and we aspire, with God’s help, to become the best that we can be. We believe that each one of us has the ability to achieve our highest potential, living and learning in the fullness of God.

I can do all things through Christ who gives me strength.
