## **District Sports News**

YESTERDAY, a team of 43 children from across the Juniors battled the traffic to reach the XCel Sports Centre in Walton -on-Thames to compete in District Sports against 5 other Spelthorne schools. In the glorious sunshine, the children took part in running races, throwing and jumping events, before the finale of the ever-popular relay races. Throughout the morning, the children showed fantastic determination and supported each other brilliantly. When the results were announced, ACE finished in joint 2nd place - what a superb achievement! A big thank you to the PTA for funding our fabulous new t-shirts—the children looked amazing and another big thank you to all the parents who came to support the children.

### A Big Thank You!

THIS is Callum from Giraffe Class. This year he has been helping his Grandad who grew 80 tomato plants. When they were ready to plant

Callum helped his Grandad to sell them to friends and family and work colleagues. Callum and his Grandad raised £85 and we owe them a big thank you because they gave the money to our school!

Thank you so much we really appreciate your hard work and effort to help our children.

#### Think Before you Park

CAN we please remind all parents and carers to park considerately at drop off and pick up.

Please consider our neighbours and refrain from blocking driveways or blocking views if someone need to enter or exit.

We appreciate that it is busy in the surrounding roads during these times but we must do our best to keep everyone safe.

Please consider children and adults alike as there are a lot of pedestrians also around at these times.

### **Bees and Carrots**

THERE has been a lot of activity going on at Forest School over the last few weeks. The children have been busy digging and planting and this week they reaped the rewards of their hard work. They dug up some of their crop of carrots and they looked pretty good. Some funny shapes but we bet they will taste better than anything you will find in the supermarket! Not only that but the pumpkins seeds have flowered and attracted the Bees. Bees are crucial for the environment and food production due to their role in pollination. They pollinate a vast array of plants, including many of the crops we rely on for food.

## ACE Achievers

WE are celebrating the achievements of siblings Joshua and Isabella who have both been really busy outside of school. Joshua from Elephant Class won his match in the Surrey Community Games Competition and Isabella from Panther Class was awarded supporter player and players player for her footballing skills playing for Staines and Laleham Junior FC.

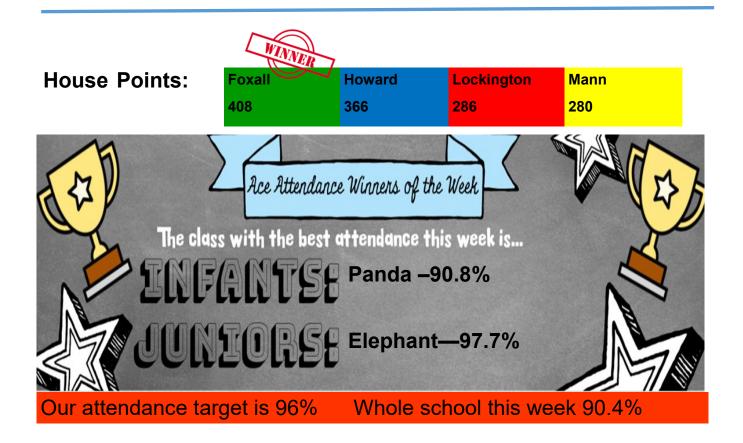

Also this week Freya from Panda Class who has achieved her level four swimming certificate.

Oakley from Rhino Class was voted as the politest of the year at his youth Club which is an excellent achievement.

Well done to all the ACE Achievers.
