

## It's Getting Hot in Here!

ON Monday, Year 4 had an exciting trip to Kew Gardens as part of their geography topic on rainforests. The day was packed with learning and exploration!

The children took part in a fantastic workshop where they discovered just how important rainforest plants are to our everyday lives. They examined real ingredients we use in food and products, and even looked at fascinating objects used by rainforest tribes. They also visited the famous Palm House, which felt just like stepping into a real rainforest. It was hot, humid, and filled with towering green plants.

The children also visited the beautiful Princess of Wales Conservatory, where they explored different plant environments from around the world. It was a wonderful day of hands-on learning, and Year 4 came back full of new knowledge and rainforest facts.

# Fire Safety Awareness

ON Tuesday, Year 5 took part in a fire safety workshop led by Surrey Fire and Rescue Service. They learnt about the 5 common fire hazards in the home and how to respond in an emergency - Get out, Stay out, Call 999. The children completed a worksheet to show their understanding and were given a smoke alarm challenge to take home. If you have a child in year 5, please ask to see these and help your child to test your smoke alarms. If yours aren't working, visit the website below for a free smoke alarm and fire safety advice. Our friendly fire officer, Eric, reminded us: working smoke alarms save lives.

## Ragu—Bring's the Italian out in you!

ALSO in Year 5 this week, they have been busy cooking as part of their DT project, designing and making their own pasta sauces to accompany bolognese. They selected their ingredients,

used their food preparation skills, cooked their sauces and finished by labelling their jars with their own custom designs. We hope you have enjoyed sampling their creations at home.

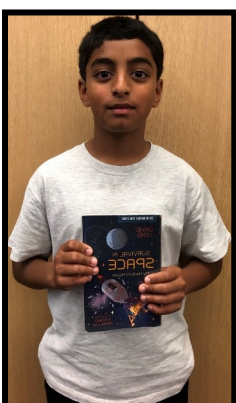

## No Better Sound ...

...than the sound of the sweet voices of the choir coming from the school hall. They practise every Wednesday and it has certainly paid off. Led by our wonderful singing teacher, Mrs Walker, they put on a beautiful performance this week for their parents and carers.

A special mention must also go to the other adults who are part of this melodic group. Mr Hughes for playing the piano so beautifully, Mrs Fowler who is always there to help the children and of course Mr Mac who will be leaving us at the end of term and has bought his own Maori flavour to the singing which has been a wonderful experience for the children.

If you would like to be part of the choir, please speak to the school office.

## Book Recommendation

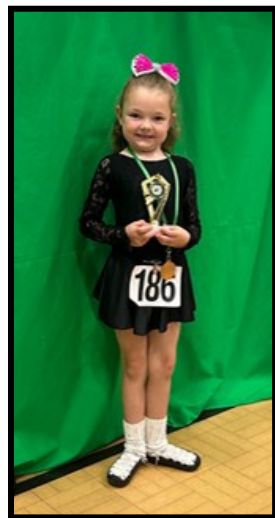

THIS week Dawood from Panther Class Recommends *Survival in Space* by David Long. Dawood says he likes this book because it is the history of Apollo 13 and has some good vocabulary in it. He would recommend it to children in years 4, 5 & 6.

# ACE Achievers

THIS weeks ACE Achievers are Ryan from Giraffe Class.

Ryan has been learning Judo and this week achieved his red and white striped belt. Amazing work Ryan!

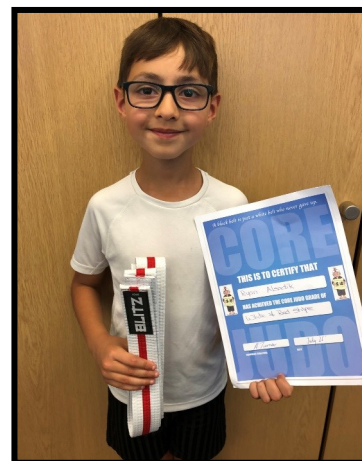

Next we have Betsy from Kangaroo Class, Betsy competed in her first Irish dancing Feis and walked away not only winning a medal for her 1st dance but a trophy for her 2nd dance too! Well done Betsy!

If you came to the Summer Fayre you would have seen a fantastic display by Beas

Cheerleaders. Last Saturday they held their annual awards and Connie from Panther class was awarded Sportsperson of the year! Fantastic achievement Connie!

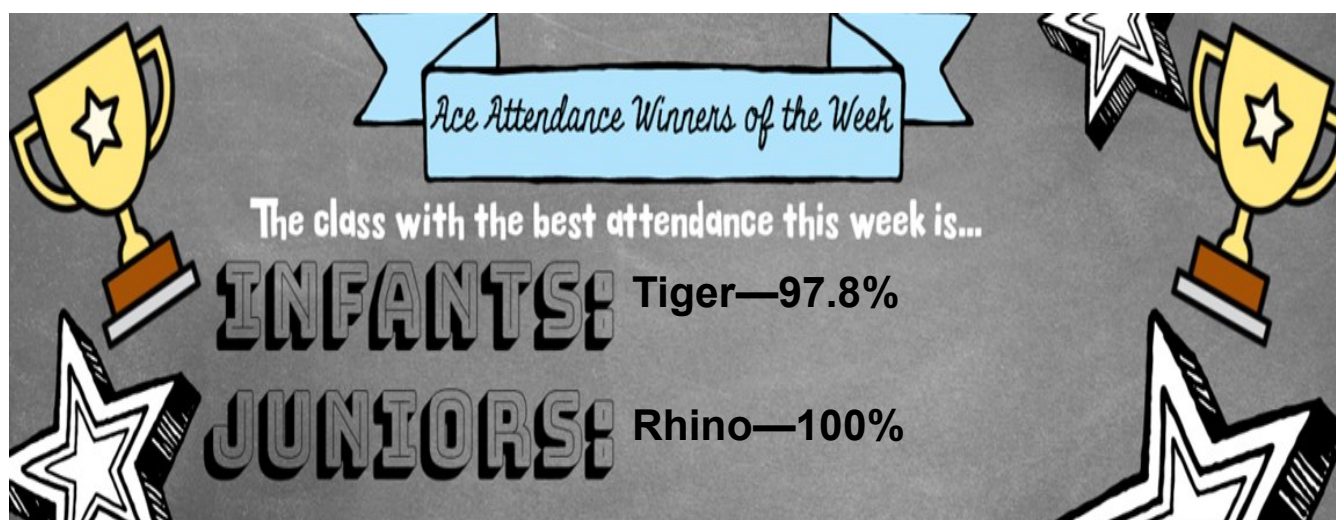

A huge well done to all of our ACE Achievers.

If you would like to see your photo in ACE's Highlights, email the school office with your achievement.
