

## Headteacher's End Of Term Message

AT the end of the school year, it is natural to reflect upon all that we have achieved and to give thanks to all within our school community. It has been a real privilege to work with your children, in partnership with you, to help them to be the best that they can be and there are many things to celebrate from the year.

At the start of the year we shared with the children our new Christian values and Bible verses and I have been so impressed with how these values are evident every day in the life of our school. The children have shown courage and perseverance when things are difficult, demonstrated respect, compassion and forgiveness to others and taken time to give thanks and show gratitude for all that we have.

I would like to thank our Governors who work with myself and the Senior Leadership team to lead the school and our wonderful staff team who work so hard to support our children. Thanks also to the PTA team for organising some great events for our school community to enjoy, whilst also raising much needed funds for the school.

For those who are leaving us; our year 6 children and the staff listed below, thank you for all that you have brought to our school. We wish you well for the next exciting steps in your journey. I am sure that you will take with you some wonderful memories of ACE.

I hope that you have a restful summer break and look forward to working with you and your children when we return in September.

Mrs Bailey

## Onwards and Upwards!

AS the school year comes to a close so does this chapter for some of our staff. As sad as it is to say goodbye many are moving on to new pastures to learn new things so we are excited for them too. So, in no particular order... First goodbye is to Miss Chambers who has been working in Reception and taking up a new post in another local school. Mrs Power who has worked with lots of our children and has been both a parent and staff member is leaving to take up a new role in a secondary school. Miss Wyeth who has worked with years 5 & 6 is taking up a new role outside of education. Congratulations to Mr Mac who passed his teaching qualification with flying colours and leaves us to take up his first teaching post. Lastly but certainly not least, Miss Beacham. Miss Beacham has been in our school for 17 years and probably taught all of the children at some point. She is going to a new school to take up a full time Deputy Headteacher post. Good luck to you all!

A special mention to Mrs Murrell who has been a lunch supervisor in our school for 24 years and is retiring and we hope she has a well earned rest!

Lastly, congratulations and good luck to Miss Richardson who will be getting married during the summer.
