

May the Forest be with you!

LOOK at what is going on at the back of our field! Firstly, we have a brand new shelter which will be so useful if it's raining or even if the sun is hot. A big thank you to the PTA who have made a generous contribution to the provision of this facility for our children. The children have been very busy learning how to tie knots to make their wind decorations, they've been digging and planting and discovered a lot of worms!

In the afterschool club they made some pretty impressive mushrooms

Urgent Safety Message

THE climbing frame, both trim trails and the Reception outdoor area are all strictly OUT OF BOUNDS at drop off and pick up.

It is not safe for children to be in these areas or climbing the equipment or the trees when there are no school staff around to supervise.

Please help us by ensuring your children are not in these areas at this time.

We cannot express strongly enough that to keep our children safe this equipment is only permitted for use during school time.

Thank you for your co-operation.

Keep Decay Away, Brush Twice a Day!

AS part of their science learning, Year 4 had a visit from a nurse this week who taught them all about dental health.

Hugo From Rhinos told us that he learnt that you should brush your teeth twice a day and use a toothpaste that has 1300ppm of fluoride. Also that children clean better with a manual toothbrush.

There were also given some amazing facts. Did you know that sharks have unlimited teeth and can loose up to 30,000 teeth in their life!

Super Singing Sensation!

IF you're dropping your children off on a Wednesday and listen really hard you will hear the sound of the ACE choir practising in the hall. All their practise paid off this week when they took part in Surrey Arts Primary Musical Festival with lots of other schools at Dorking Halls. There were 6 schools performing a variety of songs and not all in English! Our ACE choir sang Tatira Mai which is a New Zealand Maori song and they did a brilliant job. Lottie from Panthers told us that she really enjoyed 'When the Saints go Marching in' as there were 3 harmonies which were shared between all the schools and the parents were asked to join in too. Not only was their singing amazing but their behaviour was exemplary and they represented our school perfectly! Well done to you all.

Turn Over a New Leaf

IN worship this week we have continued to explore the value of forgiveness, focussing on saying sorry and changing our behaviour.

We used the idea of 'turning over a new leaf' to help us remember that sorry means that we are going to make changes to make things different.

We reflected on the story of Zacchaeus from Luke 19 1-10. Jesus saw that he was lost and making the wrong decisions. Jesus spent time with him and helped him to see a different way, forgiving him when things had gone wrong.

If you would like to explore this story further with your child, please follow this link:

ACE Achievers

WELL Done to Oli and Johnny from Llama Class who both took part in the Weybridge Vandals Spring Rugby Festival on 9th March. Oli plays for Weybridge Vandals and Johnny for Richmond.

Also to Jobi-Blue from Panther Class who completed a 25 metre swim with his swimming club on their race night. Well done to our ACE Achievers.
