Step 5:

Click on the 'Oxford Owl eBook Library'.

Your eBooks and Activities

Step 6:

Using the search bar, you can select groups based on age groups, series or by reading level if you know what your reading level is.

Step 7:

When you have found a book you would like to read. Click on it and then click on 'Read the eBook'.

This will open a new

window of the book where you can read it yourself or have it read aloud to you. Some books have activities that can be completed before and after reading.

Some books also recommend what you could read next in the 'Now read on' section.
