## Year 6 HOME LEARNING

Week Beginning 11/01/2021

### Weekly message for Year 6

Dear Year 6, welcome to this week's Home Learning.

Firstly, we are very sorry to find ourselves in this position once again. We are keeping our fingers crossed that you will all be back in school as soon as possible.

As you may remember from the last lockdown we are very keen to hear from you and see the work you have been completing at home. Please send us a copy/photo of your work on the celebration's emails. We love seeing all the things you have been busy doing.

Mrs Isaacs maths group, please send any of your maths work to:

[mrsisaacsmathsgroup@ashford-primary.surrey.sch.uk](mailto:mrsisaacsmathsgroup@ashford-primary.surrey.sch.uk)

Mrs Isaacs is really looking forward to seeing your work.

This week's maths work will be White Rose activities. There is a video and worksheet for each day. Please follow the link on the timetable below. If you are in Mrs Issacs group please follow the information on the timetable and activities she has set and send your maths work in to her.

If you would like your login details for TT Rockstars please send a request via the celebrations email address.

For reading this week you have three timetabled slots to complete a SATs comprehension paper and two slots for reading a book of your choice. For the SATs paper we recommend you spend 15-20 per reading session in order to complete the paper over the course of the week.

In English this week we will be starting to read *Holes* by Louis Sachar. Please click on the link here [Holes online version](#) (also in the timetable) to access an online copy of the text. We will be studying the start of the book and exploring some of the main characters and themes.

Your spelling this week is to complete the Look, Cover, Write, Check sheet for your group. There will also will a spelling challenge to complete. You have three grammar activities to complete. One on Monday, one Wednesday and one Friday.

For RE this week we will be looking at Buddhism. We will focus on the importance of the Eightfold path.

The iShare learning theme this half term is Our World Around Us. Look for the weekly reflections available on the website.

For Art we will be investigating the big question: Is graffiti art or vandalism?

For Computing, try to complete the lessons on HTML by following this link – [Discovery Coding](#) HTML is another real-life coding language sometimes used in the creation of web pages. Log in to the Discovery Coding website and click the tab at the top of the page called 'HTML'. Username: student23042 Password: ashford

For French and other language resources, please remember to take a look at the Duolingo website - [www.duolingo.com](http://www.duolingo.com)

Please do not feel that you need to print all the documents in order to complete the home learning activities. We will be very happy to see evidence of your answers on paper or in a notebook. Just take a photo and send it to us.

Thinking of you all

Miss Pooley and Mr Dodman
