Persuasive Writing

Learning Objective:

To plan a persuasive speech.

“Stanley was from a poor family. He had never been to camp before.”

What does this quote tell you about camp?

How is Stanley feeling about going to Camp Green Lake at this point?

Can you remember what an American camp is?

Juvenile Correctional Facility

A JCF is supposed to rehabilitate the young people who are sent there. This means that the children will be educated and guided into making positive decisions in their lives. They will improve their social skills, manage their anger well and have more opportunities in their life. This, hopefully, will mean that they do not commit any more crimes once they return to their normal lives.

Do you think Camp Green Lake achieves this for the campers?
