Year 6 HOME LEARNING
Week Beginning 22/02/2021

Weekly message for Year 6

Dear Year 6, welcome to this week's Home Learning.

We hope you enjoyed last week's home learning, we have been really impressed with the work we have been receiving, so well done and keep it up.

We are very keen to hear from you and see the work you have been completing at home. Please send us a copy/photo of your work on the celebration's emails. We love seeing all the things you have been busy doing.

Mrs Isaacs maths group, please send any of your maths work to:

mrsisaacsmathsgroup@ashford-primary.surrey.sch.uk

Mrs Isaacs is really looking forward to seeing your work.

This week's maths work will be White Rose activities. There is a video and worksheet for each day. Please follow the link on the timetable below. If you are in Mrs Issacs group please follow the information on the timetable and activities she has set and send your maths work in to her. Please note: There is no video for Mrs Isaac's group on Friday but there is a PowerPoint instead.

For reading this week there is a SATs reading paper to complete. There are three separate texts to read so please do one on each of your comprehension days.

In English this week we will be writing a balanced argument. We will also continue to read Holes. Please click on the link here Holes online version to access an online copy of the text.

Your spelling this week is to complete the Look, Cover, Write, Check sheet for your group. There will also be a spelling challenge to complete on Thursday.

For the grammar lessons we have provided two grammar tests. Please complete these two tests over your three grammar sessions. You would normally be given 45 minutes per test so we suggest spending 30 on each of your three sessions – This would be equivalent to an hour and a half.

In computing this week we would like you to use the hour of code website and follow the tutorials to create your own code. <https://hourofcode.com/uk/learn>

The iShare learning theme this half term is 'Tough Times'. Look for the weekly reflections available on the website. There will also be regular worships on the website so don't forget to join in with these.

In RE this week we will be looking at how monastic traditions help teach us about community.

For Art we will be doing Miss Beacham's art challenge.

For P.E this week there is Joe Wicks live P.E sessions on Monday, Wednesday and Friday. We also have a P.E at home provided by Real P.E which is the scheme we follow in school. On Tuesday and Thursday check this out. You will need to email pe@ashford-primary.surrey.sch.uk to receive a log in and all of the information needed to access the activities.

Please remember to take a look at the Duolingo resources - www.duolingo.com

In Theme we will continue our focus on the Tudor's – focussing on some the crimes and punishments of the time. (Not for the faint hearted!) Please use these two websites to help:

[Tudor crime and punishment 2](#)

Please do not feel that you need to print all the documents in order to complete the home learning activities. We will be very happy to see evidence of your answers on paper or in a notebook. Just take a photo and send it to us.

Thinking of you all

Miss Pooley and Mr Dodman
