

# Ashford Church of England Primary School

19 April 2023

Dear Parents/Carers,

In 2019, the Government introduced a Multiplication Tables Check (MTC) for children to complete at the end of Year 4 and since 2022 this has become a compulsory requirement for schools. It will take place for our current Year 4 pupils in June 2023. During the assessment, children will use a laptop or ipad to answer multiplication questions, with just 6 seconds to type in the answer. The questions will be based on all of the times tables up to 12x12, assessing pupil's fluency in recalling these facts mentally.

In order to support our children to achieve the very best of their ability, we would like to invite you to a meeting so that we can give you a greater understanding of what the MTC involves and how you can also support your child at home. This meeting will take place on Wednesday 26th April at 2.30pm in the school hall.

Please click the link below to complete the survey to indicate whether or not you will be able to attend the meeting.

We look forward to seeing you there.

Yours sincerely,

Mrs Williams  
Assistant Head
