

Year 5 Consent – A Christmas Carol

Dear Parents,

This term we have been learning all about the Victorian era in our Theme lessons, finishing with discovering that many of the Christmas traditions we still enjoy today originate from this period. As a Christmas treat to round off our learning, we would like to watch A Christmas Carol, written by Charles Dickens and first published in 1843.

We would like to show the 2009 animated version, which has a rating of PG with consent needed for us to show it.

If we do not hear from you by Monday 12th December 2022, then we will assume that your child has permission to view the film. If you wish for your child to be withdrawn, then please send in an email to your child's class teacher via info@ashford-primary.surrey.sch.uk before that date.

Appropriate alternative work will be provided for these children so they do not miss out on any learning opportunities.

Below is a link to the trailer of the film to find out more about it.

Thank you in advance.

Kind regards,

The Year 5 Team.
