

2 July 2026

Dear Parents and Carers,

Following our recent communication regarding the warm weather, we are writing to inform you that temperatures are forecast to rise again next week.

As previously shared, during periods of hot weather:

- **From Monday, and until the end of term, children may wear their PE kits to school every day if they would like to and would be more comfortable doing so. The exception to this is Year 6, who should wear their normal school uniform on Monday 20th July for the Leavers Service at St Hilda's Assembly.**
- Please ensure your child brings a named water bottle each day.
- Sunscreen should be applied before school.
- Children should bring a sunhat for outdoor play and activities.

We will continue to take appropriate measures in school to keep children safe and comfortable.

Currently, we are not anticipating offering early collection. However, we will continue to review the weather forecast regularly and will communicate with you should any changes be necessary.

We will continue to monitor the situation closely and keep you informed of any further updates.

Thank you, as always, for your continued support.

Kind regards

L. Bailey
