# LIBRARY

Design your own library competition

How wonderful would it be to have our very own school library?

We would love to see your vision of what the best school library would look like!

Use plain A4 paper to create what you think it should look like. Don't forget to add your name and class to the back and hand in to your class teacher by Wednesday 3rd December.

Prize: A winner from each key stage will be chosen and will be gifted a book token. Certificates for all entries.
