

20 October 2026

Dear Parents and Carers,

Following the unexpected closure of OSCAHs, we recognise that the loss of this provision has been challenging for both the school and many of our families. We are extremely grateful to the members of school staff who stepped forward at very short notice to help provide interim wraparound care and ensure continuity for our children and parents.

We know that many families were also concerned about the former OSCAHs staff. We have checked in with them, and whilst the closure came as a shock to them too, we are pleased to say that they are all doing well and we are pleased to advise that Sarah Moss will be returning to Breakfast and After School working for the school after half term. We would like to thank the rest of the team for the care and commitment they showed to our children over the years.

To provide a sustainable wraparound care offer for the remainder of the Autumn Term, we are pleased to confirm the following arrangements from next half term through to Christmas.

Morning Clubs

Monday, Wednesday and Friday - Active Morning Club

From next half term, **Promise Coaching** will be running an **Active Morning Club** from **7:30am to 8:30am**.

The club will take place in the school hall and will include a range of active games and sports activities. Children who would prefer not to participate in the active sessions will have access to quieter activities during the session.

Please note:

- A light snack, such as a cereal bar or fruit, will be provided.
- Children should bring a **named water bottle**.
- Children wishing to take part in the active games should bring **trainers or plimsolls** to change into.
- Children should be **dropped off directly at the hall doors**.

Tuesday and Thursday - Breakfast Club

On Tuesdays and Thursdays, Breakfast Club will continue to be run by school staff in the upstairs club area, **offering a range of craft activities and games**.

Children should be dropped off via the **main school entrance**. Parents and carers should ring the club using the **internal phone line at the front office**, and a member of staff will admit their child.

After School Club

After School Club will continue to operate **Monday to Friday from after school until 6pm** until Christmas. However, **the Friday session will be finishing at 5pm**. Despite our best efforts, Friday staffing has proved difficult to maintain and attendance numbers have been consistently low. As a result, the provision needs to be adjusted on this day.

We understand that this change may affect some families. If you would like to discuss your individual circumstances, please contact the school office by email and we will be happy to talk through the arrangements with you.

Booking Arrangements

All bookings for the Active Morning Club, Breakfast Club and After School Club must be made through the **Tucasi** online booking system. This is the same system currently used to book school lunches and educational visits. The charge remains at £7.25 for the morning session and £16.75 for the after school session.

If you do not currently have login details, please contact the school office, who will be happy to assist.

Please note:

- Accounts must be **in credit** before bookings can be made.
- Places must be booked in advance through the system.
- Numbers will be limited to a **maximum of 20 pupils per session**.
- We strongly encourage parents to book early to avoid disappointment, as places are expected to fill quickly.

We are pleased to be able to continue offering wraparound care for our families and hope that these arrangements will provide a reliable and enjoyable provision for children throughout the remainder of the Autumn Term. We would like to thank parents for their patience, understanding and support during what has been an unexpected period of change, and we look forward to keeping you updated on our plans for January and beyond.

Yours sincerely

Mrs L Bailey
Headteacher
