

9 September 2026

Dear Parents and Carers,

Watts Gallery and Escalate Arts 'Where We Belong' programme

We are delighted to share with you that we have been invited to participate in a fully funded arts programme for our Year 6 children, working with the Watts Gallery which is located near Guildford.

The programme involves a visit to the Watts Gallery, a hands-on clay workshop in school and a public celebration of the children's work.

The visit to the Watts Gallery will be taking place on **Tuesday 29th September**. As this is a fully funded programme, we will not be asking for any parental donations for this visit. **This is a whole day visit so please ensure that your child wears school uniform and brings a waterproof coat and packed lunch on this day.**

In order to give your consent for your child to attend this visit, please complete the form by clicking on the link below.

[Watts Gallery Year 6 Trip – Fill out form](#)

During the visit and follow up workshop, the staff would like to take photos of the children working on their art projects to tell the story of how their creations were made. These will be in line with our photo policy, so there will be no full-face photos and no children's names will be used. The photos will be displayed at the Watts Gallery as well as other Surrey Arts Venues.

If you are happy for your child to be photographed for these purposes please indicate this on the form.

If you have any questions about the programme please speak to your child's class teacher.

Yours sincerely,

The Year 6 team
